

BRACKNELL LAWN TENNIS CLUB – CLUB FINALS DAY
SEPTEMBER 8TH 2007
(www.bracknelltennis.com)

Great tennis, stunning backdrop, ambient temperatures – yet again, Bracknell Tennis Club's finals day drew in the crowds to deliver over 6 hours of fantastic finals action.

There were 9 different finals being contested (4 junior events and 5 senior events) with pulsating tennis being the order of the day. Onlookers were certainly rewarded with exciting, close action - and when the tennis action finished, the finals day party guaranteed aching minds and bodies the next day!

Many thanks went to the public who came along and supported our event and of course to all our organisers – special thanks to the Bracknell Standard / Evening Post for coverage of our event. We look forward to more of the same next year.
